Fri, 31 Jul 2015 23:59:00 GMT Youth in crisis? : 'gangs', territoriality and violence ... - This is a mantra that will be repeated throughout this book. The ambiguities surrounding what a gang is and what gangs do are precisely why the term is both powerful and predictable in public discourses of disorder and danger. Gangs connote predatory and violent action, usually by groups of young men. The concept encapsulates notions of aggression, viciousness, chains of brotherhood forged in combat, and codes

of obedience and behaviour that discipline individuals to the group's norms and ...

Doing Gangs Research | SpringerLink - This article, based on research conducted in Glasgow, Scotland, analyses the complex process of desistance from youth gangs. The discussion is multifaceted focusing on the agency of the young people themselves as well as on how relationships within their local community can have a role in replacing their previous identification as gang members.
